## Chipping and Putting Game

This class offers a learning environment to discover a way to develop trust in your swing motion. You may identify key aspects that lead to greater consistency and improve the whole game.

## On Course Rules and Etiquette

This class offers you a chance to see and learn the basic rules we use as we view them in actual outside situations. We address rules related to the putting green, bunkers, hazards and obstructions within our excellent practice area.

## Flop and Sand Shots

Explore the unique specialty shots used by the pros. Learn how to hit it high and land it soft. Learn an explosion shot from the bunker. Discover ways to lower your score in a fun and fascinating class.

## Golf Course Strategies

In this class we will walk you through the creative process on how to select the appropriate shot for the distance and landscape. Open the artist within and join us for a wonderful learning experience.
